"We are a Cross-centered church family connecting people to Jesus and to one another, while leading each other to serve our church, our community, and our world."

:: WORSHIP TODAY

Sermon: "Inadequacy"

Texts: Exodus 14

Our efforts are inadequate ...
But God's grace is sufficient

"If God wants you to trust Him, He puts you in a place of difficulty. If God wants you to trust Him greatly, He puts you in a place of impossibility. For when a thing is impossible, then we, who are so prone to move things by the force of our own being, can say, 'Lord, it has to be You. I am utterly, absolutely nothing.'"

– Donald Grey Barnhouse

1. Can you think of a time where God has guided you to one place and then changed the plans? How did you handle that?
2. Are there any areas of life you feel particularly inadequate?
3. Have there been times you have wrestled *with* God? How do you think God deals with us when we come to Him with our anger, frustration, and confusion regarding His plans and purposes?
