:: WORSHIP TODAY

Sermon: James: "Building and Destroying"
Text: James 3:1-12

Words hold tremendous power. The tongue can be used for blessing or cursing. It can bring life or death. James calls us to use it for good and choose words that are helpful rather than harmful. Helpful words build up, encourage others, and help solve problems.

Assisted hearing devices are available at Guest Services.

Discussion Questions

1. Regarding how words are used, Rabbi Joseph Telushkin said, "There is no area of life in which so many of us systematically violate the Golden Rule." Do you agree? Why or why not?
2. If God gave you the power to remove, forever from this earth, only one form of harmful speech (malicious gossip, excessive anger, hurtful criticism, public or private humiliating sarcasm, etc.) what would you remove? Why?
3. If God gave you the power to equip every person on planet earth to be forever proficient at only one form of helpful speech (life-giving encouragement, appropriate praise, motivating challenge, timely wisdom, etc.) Why?
4. Can you share of a recent time when someone chose to use words with you that were helpful? In what ways specifically were they helpful?
